

Dr. Azlan Tariq

Dr. Azlan Tariq is a Board-Certified Physical Medicine and Rehabilitation physician and the Chief Clinical Officer for Integrated Rehab Consultants. He earned his undergraduate degree with honors at Stony Brook University and medical degree at Lake Erie College of Osteopathic Medicine. After completing his internship at Mount Sinai Hospital, he went on to complete his residency in PM&R at Marianjoy Rehabilitation Hospital in Wheaton, Illinois where was awarded the Resident of the Year honor. Dr. Tariq has completed additional, specialty training in Pain and Musculoskeletal Medicine at the University of Wisconsin-Madison.

Since July 2012 Dr. Tariq, along with his team, has been working as a Consultant at a number of post-acute facilities in the Chicagoland area. He also has his own substantial outpatient practice, focusing on musculoskeletal and medicolegal issues.

Dr. Tariq has been actively involved in numerous national organizations; where he has been instrumental in promoting understanding of the importance of the role of Physiatrists in the post-acute setting. His clinical experience was recognized by CMS when he was nominated to act as a technical expert; assisting CMS in the development of functional outcomes and quality measures in the SNF setting.

Dr. Tariq is actively involved with AMDA (American Medical Director Association), as the current Chair of the PM&R Steering Committee, as well as a member of both the Program Planning and Membership Committees. Dr. Tariq also has a history of service with AAPM&R; first as a volunteer since 2016, and currently as the Chair of the Physiatry in Skilled Nursing Facilities Member Community, member of the Skilled Nursing Facility Think Tank, and Specialty Brand Expansion Committee.
